It takes a (bayside) village to raise a child

Play your part and support our learning community

Whilst the proverb may originate in Africa, the sentiment it contains reverberates in our bayside community. You can help us continue the journey of learning excellence by supporting our commitment to developing our children's knowledge, skills, capabilities and values.

Who we are

The Parents and Citizens Association (P&C) is an inclusive community of parents/carers, educators and representatives. We welcome open and robust dialogue to create a sustainable environment for the enrichment of our children's education.

Our objective, as an Association, is *"to promote the interests of, and facilitate the development and further improvement of the School"*. How we do this is just as important as what we accomplish and our Code of Conduct has been adopted to aid all members of our school community to work as a well ordered group.

Through the P&C's activities our parents, carers and volunteers continue to make an incredible contribution to the school each and every day in the following areas:

- Cafeteria (MEGA-Bite)
- Bayside Awareness & Safety Education (BASE)
- Student Banking
- Uniform Shop, and
- Wynnum Wahoo's Amateur Swim Club.

In addition to fundraising activities throughout the year, we also employ a swim coach – *Bayside Swim School* – to offer Learn to Swim and Squad sessions for our local community.

When we meet

Please check the school website or our Facebook page for more details as the dates often move to reflect the content of each meeting

An open invitation

The P&C does not expect every one of our members to attend every meeting or get involved with every fundraising activity we undertake.

We respect your choice to be engaged and hope that through our membership, we can offer you the opportunity to be informed of activities, programs and events that are relevant to your child's experience at Wynnum State School.

We look forward to getting to know you and working together.

Best wishes

**Sophia, Chantelle, Brooke,
Clair and Marilyn**
WSS P&C EXECUTIVE COMMITTEE
pandc@wynnumss.eq.edu.au

Help us make a real difference

We're inviting you to have a go and get involved

Volunteers are essential to the provision of the following services. Be part of our energetic and passionate team of volunteers!

Cafeteria (known as “MEGA-Bite”)

The school cafeteria, MEGA-Bite, is operated by the P&C with the assistance of staff and volunteers.

We understand the important role a cafeteria plays in helping children learn about nutrition. Our cafeteria is in a unique position to make a positive, worthwhile contribution to our students' health and welfare by:

- promoting a healthy school community
- assisting in developing health promoting eating habits in children
- reinforcing the principles of classroom nutrition education
- providing a variety of nutritious and attractively presented foods and drinks at a reasonable price
- providing a service to the school community
- providing an opportunity for parents/carers to participate in their children's education environment and
- operating at a reasonable profit for the benefit of the school and, in turn, each child.

MEGA-Bite is open three days a week – Mondays, Thursdays and Fridays. Australian currency is accepted and we offer EFTPOS for payment of orders, or pre-ordering through www.flexischools.com.au.

Tuesdays and Wednesdays, when the Cafeteria does not offer a full service, a Snack Service is offered between 8:30am – 9:00am. Students can purchase a \$5 snack pack, which consists of a juice box, popcorn, a piece of fruit, a muffin and a 'le snak' (cheese and crackers).

Our menu and operating hours are published on the school's website – Click on Facilities / Canteen - and also distributed in hard copy to students in Term 1.

Assistant Convenor

Bayside Awareness & Safety Education (BASE)

Our Bayside Awareness & Safety Education (BASE) program is operated by the P&C to help ensure a safe environment for children and young people.

As a subcommittee the program has a structure, annually electing an Operating Committee who meet regularly with members to ensure effective communication and continuously improve safety education for all.

Safety matters are taught in a positive manner, imparting a genuine enthusiasm for student involvement resulting in an awareness that helps our youngest citizens prepare to journey safely through life.

We can all help to keep our children safe!

- Write your child's name and address on the inside of his/her school bag rather than outside.
- Ensure your child knows what to do if you are late and someone unfamiliar arrives to pick them up from school.

Student Banking

Student banking is a free service to students and their siblings at Wynnum State School. The program allows them to make regular deposits, each week into their Commonwealth Bank account at school.

This is a great way to encourage students to save money and develop healthy savings habits. No amount is too small to deposit - every little bit adds up!

The Youthsaver account has no fees and pays bonus interest when there is at least one deposit and no withdrawals in a month.

- For children aged 0-9 years the account is linked to the Dollarmites Club, with a special website full of fun activities, games, competitions, and savings tips.
- For children 10-13 years their account is linked to Rule, specially designed to appeal to their age group.

Wynnum State School also benefits as the bank pays a commission to the school on all the student deposits:

- 5% of every deposit (up to a maximum of \$10 commission per individual deposit) made each week, and
- \$5 for every child that opens a Youthsaver Account via the School Banking Program.

This commission equates to several hundred dollars a year; which can be used to buy new books, equipment, and various other items the school needs.

Wynnum Wahoos Swim Club

The Amateur Swim Club, Wynnum Wahoos, is operated by the P&C with the assistance of volunteers and supplements the basic swimming program offered by the school.

As a subcommittee the club has a structure, annually electing a Chair, Treasurer and Secretary who meet regularly with club members to ensure effective communication and continuously improve the swimming experience for all.

The Wynnum Wahoos offers a family friendly atmosphere where each child is encouraged to participate and improve their swimming skills, whilst having fun safely together.

Swimmers of all ages and abilities from both Wynnum State School and the wider community are welcome, however, children must be accompanied and supervised by an adult at all times.

The club operates from the Memorial Pool at Wynnum State School each Friday night during Terms 1 and 4. Gates open at 6:00pm for a 6:30pm start.

You can learn more about the Wynnum Wahoos at www.wynnumss.eq.edu.au. Click on the Extra Curricular tab and select 'Clubs and societies' to find our Membership Form and club brochure.

Uniform Shop

The Uniform Shop provides quality new uniform items at a reasonable cost to parents and carers. We offer cash, credit card, EFTPOS and internet transfer payment facilities or, if you prefer, we also have lay by service for your convenience.

Our operating hours are Tuesday mornings between 8:30am-9:30am and Thursday afternoons between 2:30pm-3:30pm.

If you are unable to access the shop during these times, online ordering remains available 24/7 and you can place an order from the comfort of home. Simply go to www.flexischools.com.au, enter "Wynnum State School" and follow the prompts to make your purchase.

There is also a Facebook group called **WSS 2nd chance uniform** where preloved uniforms are advertised, which operates externally to the P&C. Anyone joining the school community is encouraged to join.

Uniform items may also be purchased during the summer holidays. Our opening hours are published on the school's website – Click on Facilities / Uniform Shop – for details.
